

## Wood Desk Chair Mats

These deluxe wooden chair mats won't chip or curl and are non-flammable. Designed with a special backing, these chair mats are made to stay put on both carpeted and hard surface floors.

- Desk chair mats beautify any room with a maple, oak or birch finish
- 5/16" thickness ensures this wood chair mat won't crack, dimple, or break.
- NOTE: A "lip" is defined as a protrusion or extension from the edge of the mat. The lip protects the floor under the desk where the chair may roll if scooted all the way in. Both "action" pictures above have a lip.
- NOTE: Chair Mats with a lip are listed using the overall size of the mat including the lip; thus, the rectangular portion of the mat is smaller than the corresponding size listed.

Item No: CMWS
