## Deluxe Carpet Entrance Mats

Deluxe Carpet Entrance Mats are an extremely high quality carpet entrance mat constructed from DuPont's finest Opti-twist solution dyed nylon. Opti-twist nylon gets twisted during the manufacturing process to create extra strong fibers that help keep original form.

- Floor mats are constructed of a skid-resistant nitrile rubber backing and borders, providing for maximum durability, longevity, resistance to grease and oils, and resistance to mat movement
- Surface of entrance mats resists crushing, traps dirt better, and extends performance life
- Use these floor mats as door mats and walk-off mats or runner mats that extend down lengths of area
- Clean floor mats by vacuuming, extraction cleaning, or hose and hang to dry. These floor mats are also commercially launderable
- Deluxe Carpet Entrance Mats are now produced with 20% post-consumer recycled content.
