ComfortFoam Ribbed Anti-Fatigue Mats

ComfortFoam Ribbed Anti-Fatigue Mats offer reliable, supportive comfort when standing on hard surfaces all day in light industrial and commercial spaces. These all-foam anti-fatigue mats are produced with safe, resilience-enhancing compounds to improve comfort.

• All ComfortFoam mats have a proprietary formulation which provides improved performance while standing. This sponge mat's improved support and comfort translates to greater cushioning and rebound compared to other all-foam mats (anti-fatigue mat without a shell layer).

• Available in both 3/8" and 5/8" thicknesses.

• These ComfortFoam Anti-Fatigue Mats are manufactured with beveled edges around the perimeter for increased safety.

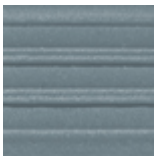

• Environmental Green Rating: 50% Recycled Content.

• Comfort Ribbed Mats come in standard and custom sizes and can also easily be cut to fit any work area. NOTE: yellow edges are only available on 2', 3' and 4' wide mats.

Item No: FUDCFRIBS
