

Custom Logo Sticky Mats

Custom Logo Sticky Mats are actually clear, clean room sticky mats that are adhered to a frame that contains the logo so that the design appears clear on every new sheet.

The frame can be branded with a 1-, 2- or 3-color logo to promote your brand and/or provide warning messages or instructions to users.

The clear tacky mats capture dirt, dust and debris and are ideal for areas where contaminants must not enter. Custom sticky mats feature an adhesive surface which traps particles on shoes before they can enter a "clean room."

- Simply remove and discard the top sheet once dirty.
- These custom design sticky mats work well on low-profile carpet, tile and hard floor surfaces. Clean room mats are perfect for laboratory, hospital and construction areas.
- 1/8" thick, tacky polyethylene surface.

** Please use Logo Instructions box to indicate specific instructions for logo placement and color

** NOTE: An artist's proof of the logo floor mat will be emailed to you for approval before production.

Item No: CRMCDL
