DesignStep Disposable Urinal Mats: UltraGrip Backing

Our Disposable Urinal Mats with the UltraGrip backing are treated with an anti-microbial compound that helps prevent foul odors and keeps floors slip-resistant while attacking the cause of the problem: bacterial growth.

- Keep cleaning costs down, protect flooring and maintain a respectable appearance in your restrooms with these disposable mats.
- These mats dry quickly and reduce odors due to the anti-bacterial agent which breaks down the urine enzymes.
- Least expensive disposable urinal mats on the market today.
- The narrow base keeps feet comfortably on the floor and off the mat.
- UltraGrip backing keeps mat in place, even on wet floors. These urinal mats are ADA compliant.
- Dimensions: 16.75" W x 20.5" D
