

Diamond DeckPlate Interlocking Tiles

Diamond DeckPlate Interlocking Tiles help improve appearance and traction by keeping work areas safe and dry, which can reduce slip & fall accidents. DiamondDeck Tiles easily connect and are perfect for both standard and custom configurations.

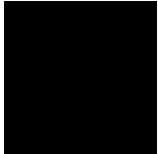

- 12" x 12" x 1/2" Thick interlocking floor tiles.
- Interlocking tiles dry quickly while providing a slip-resistant surface.
- 12"L x 3"D reducers (or beveled edges) are available.
- Ideal for any environment where traction is a priority.
