

Diamond Deluxe Vinyl Mesh Mats

Diamond Deluxe Vinyl Mesh Mats offer a criss-cross pattern for maximum scraping ability while allowing moisture to drain off the side of this vinyl loop mat.

- The high/low diamond pattern brushes off dirt and debris and allows the diamond pattern surface to remain clear for continuous, effective scraping.
- Available with and without a backing: unbacked mats allow dirt and water to flow through while the mats with backing channels the water off the mat.
- Dual-color vinyl loop construction complements any decor. Color-coordinated edging available.
- 3/8" thick unbacked and 1/2" thick with backing.
- Ideal for medium-high traffic environments.
- To clean simply shake out and, if necessary, hose off.
