

ErgoFoam Premium Sponge Anti-Fatigue Mats

ErgoFoam Premium Anti-Fatigue Mats are made of a unique cross-linked Nitrile rubber compound, which has incredible flexibility and immediate rebound, unlike any other foam anti-fatigue mat on the market today.

Specially engineered to outperform similar foam mats, ErgoFoam Premium Anti-Fatigue Mats holds up better, lasts longer and provides superior comfort, especially when standing for long time periods.

- Cross-linked Nitrile rubber sponge construction.
- Available 7/8" thick with sloped and beveled edges.
- Lasts 4x longer and offers 5x more comfort compared to other foam mats.

NOTE: All sides greater than 6' will have a sloped edge as opposed to a beveled edge (though both will provide a safe, gradual transition on and off the mat.

- The top surface has textured-groove pattern, to better help the mat mold to your foot while also providing increased traction and supreme comfort.
