

## Free Flow Drainage Rubber Mats

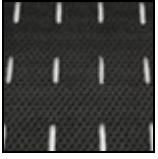

Free Flow Drainage Rubber Mats are high-traction drainage mats that provide comfort and safety thanks to their all-rubber design, long drain holes and cross-arm backing.

- The highly textured surface and long drain holes on the surface of the Free Flow Mat help prevent slips and falls while allowing moisture to drain through the surface.
- A cross-arm design on the underside of these drainage rubber mats provides enhanced comfort and also allows moisture to easily flow out from underneath the mat.
- Each Free Flow kitchen mat has anti-microbial properties to prevent bacterial growth.
- These rubber drainage mats provide a comfort and stress relief when standing for hours.
- 1/2" thick with tapered edges to prevent tripping.
- These rubber mats are light weight for cleaning and can be hosed off or rinsed in a commercial dishwasher.

**Standard Sizes (Approximate)**

Size	Qty. 1	Qty. 2-10	Qty. 11-25	Qty. 26+
3' x 4'	\$52.04	\$50.96	\$48.76	\$46.64
