

Kleensweep Runner Mats

The Kleensweep runner mat is just that; a vinyl runner that is both comfortable and easy to clean.

The semi-circular ribs are spaced farther apart than on a typical runner mat; this allows for easier sweeping and mopping.

At 1/8", this floor mat is best suited for moderate traffic areas which are routinely maintained. Common locations for the Kleensweep runner mat include interior hallways, electronic/data centers and wait lines.

- Applied where traction and cleaning are more important than added comfort.
- 100% vinyl floor mats
- 1/8" thick up to 105' long
- NOTE: Although labeled "Custom Configuration," all prices are based on "Standard Size Configurations."
