- KushionWalk's high quality PVC formulation and tough construction make this runner mat abrasion resistant, highly cut resistant and ideal for heavy-use locations.
- A textured, durable surface helps prevent slips and falls while a knobbed backside and optional drainage slots allow water and fluids to runoff and provide aeration.
- Available in 2' and 3' wide rolls up to 60' long.
- Total thickness of 3/8".
- Kushionwalk mats are ideal to go on top of grated walkways.
