

Scraper Rubber Mats

Scraper Rubber Mats are heavy-duty, durable rubber mats, designed with a low 1/4" profile for low door clearance and cart traffic.

- Raised oval design across floor mat surface works hard to scrape shoes clean and provide for traction even when wet.
- Dirt and debris is held within the trenches of the rubber floor mat.
- Constructed of 100% skid-resistant Nitrile rubber, not affected by grease or oil.
- A heavy-duty rubber mat designed for high-traffic, outdoor areas
- This rubber floor mat is easy to clean, simply sweep or hose off and dry.
- Available with drainage holes for high moisture/outdoor areas.
- Also available with Silicon Carbide Grit surface for added traction.
