Sit or Stand Mats

Sit or Stand Mats combine the best of both worlds - a clear, heavy-duty vinyl rear to allow easy movement while seated in a desk chair and a cushioned foam front portion for enhanced comfort while standing at a workstation desk.

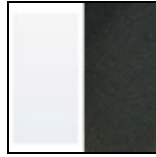

- These sit/stand desk mats are the perfect solution for people who spend a portion of their day sitting in a desk chair and part of the time standing in front of their desk.
- The clear vinyl portion of these sit or standing mats will not chip or curl up and are non-flammable. Additionally, oblong anchors on the underside of the mat help hold it in place on just about any type of carpet.
- The front, black foam portion of these sit or stand mats can be tucked under the desk when using the clear vinyl portion under the desk chair and then easily folded on top of the vinyl for extra support while standing at the desk.
- High-density black foam affords comfort and rebound while standing for extending periods of time.
- There is a one year warranty on sit and stand chair mats against cracks due to normal wear and tear.
