

Stainless Steel Corner Guards

Stainless Steel Corner Guards offer a sleek, modern look with unmatched durability thanks to its industrial-grade construction. These 304 steel corner guards are extremely tough, long-lasting, corrosive- and chemical-resistant, temperature tolerant and stronger compared to other types of steel guards.

Stainless steel corner guards are simple to install and offer a smooth, easy-to-clean surface.

Eight wing size options are available: 1/2" (12mm), 3/4" (19mm), 1" (25mm), 1-1/2" (38mm), 2" (51mm), 2-1/2" (64mm) and 3" (76mm) in a 16 gauge, # 4 brushed finish.

These incredibly durable steel corner guards have a standard 90° angle for most sizes with a 90° (rounded) Bullnose and a wide 135° angle also available.

Stainless Steel Corner Guards are manufactured in standard 4' (1.22m) and 8' (2.44m) heights with custom heights available.

NOTE: There is a 10 guard minimum for sizes over 96" tall.
