

Starting Line Anti-Fatigue Mats

Starting Line Anti-Fatigue Mats are the next innovation in comfort matting. With a durable, versatile, easily customizable design, these Starting Line anti-fatigue mats are practical and economical.

- The bubble surface of these anti-fatigue comfort mats provides an ergonomic design and continuous comfort throughout the day. The bubbles quickly rebound and are crush-resistant.
- Starting Line Anti-Fatigue mats offer the best of both worlds - these mats are stronger and much more tear-resistant than traditional foam mats yet light weight and can easily be picked up for cleaning or relocation.
- Available 3/8" thick with beveled edges on the 2 long sides.
- Thanks to a perforated beveled edge, water can easily run off the sides of the mat, keeping the top surface safe & dry. Starting Line mats are perfect for use in all dry work areas but also provide comfort and strong traction in wet environments as well.
- Easily customize Starting Line mats - simply cut with a scissor or utility knife to the size and shape you need. To form non-rectangular shapes, just overlay one mat on top of another, making sure the beveled edges and bubble surface line up.

Standard Sizes (Approximate)

Size	Qty. 1	Qty. 2-10	Qty. 11-25	Qty. 26+
