## Super Ribbed Entrance Mats

Super Ribbed Mats are heavy-duty entrance mats, ideal for high-traffic areas. Constructed of coarse, polypropylene fibers, these door mats have a dense face weight, made for extended use.

- High-low surface texture aggressively brushes and scrapes shoes to remove dirt, debris and moisture.
- The coarse, solution dyed fibers effectively clean shoes and mask the appearance of walking patterns.
- UV-stabilizers make these ridge mats highly resistant to fading and allow them to dry fast compared to natural fibers.
- These floor mats offer a commercial-grade rubber backing and heavy-duty rubber borders.

\*\* Super Ribbed Mats can be manufactured up to 13' 2" wide and virtually any length, please call for pricing.
