

Tire Track Entrance Mats

Tire Track Entrance Mats are heavy-duty door mats featuring a multi-directional, raised surface pattern to aggressively remove debris and moisture from shoes and prevent it from being tracked inside.

- Tire track mats brush away debris regardless of traffic flow.
- Commercial-grade vinyl backing helps reduce the mat's movement, especially on hard floor surfaces.
- Dirt, debris and moisture gets trapped in the trenches of the mat and stay off the surrounding floors, helping promote a clean and safe environment.
- Tire Track mats are best suited for busy indoor and covered outdoor environments.
- Easy to clean these mats by simply by vacuuming, extraction or hosing down and hanging dry.

Item No: ETRTRK
