

## Waterhog Windmill Entry Mats

Waterhog Windmill Entry Mats boast a repeating windmill surface pattern which brightens up any entrance while helping to clean shoes. These waterhog mats offer a raised surface design to scrape off dirt and debris as well as wipe away water.

- The Waterhog Windmill Entry Mat also features a sturdy, water-dam border around the perimeter that can contain up to 1.5 gallons/square yard of water to help keep the surrounding floors safe & dry.
- The surface of these Waterhog Windmill Entry Mats are constructed from a quick drying, anti-static polypropylene that is stain, fade and mildew resistant, which makes the Waterhog Windmill Mat a perfect floor mat for both inside and outdoor locations.
- To clean these Waterhog mats, simply vacuum, hose off and allow to air dry.
- Waterhog Windmill Entry Mats are now made with 20% recycled content.
