

Wet Step Slip-Resistant Mats

Wet Step Slip-Resistant Mats offer comfort, drainage in traction and are perfect for use in wet areas, especially when barefoot. Wet Step Mats are ideal for showers, locker rooms, pool areas as well as wet industrial environments.

- Wet Step Mats are made from 100% closed-cell, premium Nitrile Rubber to prevent degradation and ensure a long life.
- A low-profile construction allows these rubber mats to fit underneath entrance doors and lockers.
- An anti-microbial agent is built into the rubber itself to ensure a lifetime of protection against bacteria, odors and degradation to the rubber.
- Wet Step Mats have many drain holes, which permit water to easily flow through the mat and down towards the floor drain to keep the surface drier and slip-resistant.
- These rubber mats are grease-proof, oil-proof and UV resistant for use both indoors and outside.
- The unique surface pattern makes these mats both slip resistant and soft to walk across, even with bare feet.

Standard Sizes (Approximate)

Size	Qty. 1	Qty. 2-10	Qty. 11-25	Qty. 26+
2' x 3'	\$52.28	\$51.40	\$50.72	\$49.88
