

Z-Web Non-Slip Drainage Matting

Z-Web Non-Slip Drainage Matting increases slip resistance on otherwise slippery floors thanks to its patented Z-Web design, which allows moisture to flow below the mat, keeping the top surface safe.

- This Z-Web Drainage Mat design allows water to flow beneath the walking surface to dry more quickly and provide safe, consistent footing. The safety-walk mat's uniform surface provides enhanced slip resistance.
- The Z-Web Mat's open design helps protect floors by helping them to dry more quickly while keeping the walking surface free of moisture.
- These safety drainage mats are ideal for medium-duty use both indoors and outside.
- An durable anti-microbial coating provides resistance to mildew, fungus and odors.
- This wet area mat's patented Z-web durable construction provides excellent support for light wheeled traffic such as carts and wheelchairs.
- To clean, simply shake out or hose off as needed.
